# PRACTICAL INFORMATION

## **Park Information Desks**

When you arrive at the Disney® Parks, go to City Hall (Disneyland® Park) or Studio Services (Walt Disney Studios® Park).

The *Cast Members* (Disney employees) will be glad to answer all your questions, and will advise you as to which attractions are the most easily accessible according to your disability or specific needs. They will also provide you with an Easy Access Card if appropriate (for further details see p.4-5).

Don't forget to ask for a copy of the **Programme, which lists the times of shows, parades, and Disney Character Meet 'n' Greet**s.

Access to attractions may be changed without prior warning. Certain attractions may be temporarily closed. Certain attractions are only open weather-permitting.

To ensure your safety and well-being, please comply with the Parks' rules and regulations (available at City Hall, Studio Services and at the Parks' entrances) and follow instructions given by Disneyland® Paris staff. Proper dress should be worn. Shirts and shoes are required at all times.

## **Guide and Assistance Dogs**

Certain attractions in the Disney® Parks accept guide and assistance dogs, with the exception of those listed later in this guide book. We allow guide and assistance dogs to use the gardens. We advise you to bring a bowl so that your dog can drink regularly throughout the day.

Please note that *Cast Members* are not authorised to look after your dog. If you wish to go on an attraction that is unsuitable for your dog, you will have to leave him/her with one of your helpers.

## Stroller & Wheelchair Rentals

*hosted by Hertz*

Manual wheelchairs can be rented just inside the main entrance to each Park at the Stroller & Wheelchair Rentals point.

You will be asked to pay a €150 deposit (price subject to change) irrespective of the length of your stay. The deposit can be paid by cheque or credit card imprint. We only have a limited number of wheelchairs, and Guests cannot reserve wheelchairs in advance. Please note that *Cast Members* are not authorised to accompany you around the Disney® Parks. Strollers can also be rented (subject to availability).

Free for Dream Annual Passport holders (deposit required).

## Toilets

All toilets have facilities for mobility impaired Guests (with the exception of Walt's – an American Restaurant. The nearest suitable toilets are in Liberty Arcade). The Parks are equipped with separate male/female toilet blocks and communal toilet blocks that enable mobility impaired Guests to be accompanied by a helper. The latter can be found in each Land in Disneyland Park and in Walt Disney Studios Park.

## First Aid and specific needs

Each Park has a First Aid point.

All members of staff working there are fully qualified and equipped to administer any emergency first aid guests may require. Our teams can also provide most kinds of medically-prescribed nursing care (injections, drips, bandaging, checking vital signs etc.) as long as you have your prescription and any necessary equipment and medication with you.

If you need to keep medication cool, you may leave it at one of these First Aid points.

Any other types of medical equipment cannot be reserved by Disneyland® Paris. However, our Central Reservations Office can put you in touch with external suppliers if you wish.

# ENJOYING THE DISNEY® PARKS

The Park maps and the symbols associated with the various attractions listed in this guide book will help you plan your trip. Use the symbols key on the cover flap to help you read the pages presenting the attractions.

Each map is colour-coded to help you choose the type of experience you're looking for:

-  **Family Adventures**
-  **Fun with Little Ones**
-  **Big Thrills**
-  **Not to be missed**

## Access cards:

Access procedures for certain attractions in the Disney® Parks may differ depending on the nature of your disability, so please go to the Park information desks along with your helper(s) where our *Cast Members* (Disney employees) will be on-hand to offer you advice.

If you are a group of disabled guests, please say so when booking your stay in order to facilitate the issuing of access cards.

**Disabled Priority Card:** This card gives you and your helper(s) priority access to certain attractions in both Parks via specially-adapted entrances.

In order to receive a Disabled Priority Card you will be asked to present your disability card (disabled person's priority card, formerly known as the difficulty standing card, war disability card, European disabled parking badge) or a medical certificate (see p.5).

**Warning:** For safety reasons, mobility impaired, visually impaired (blind), and mentally impaired guests must be accompanied by an able-bodied adult aged 18 or over who is capable of helping them.

Number of helpers authorised to accompany the cardholder:

1 able-bodied adult with a maximum of 3 children, unless the children are under 12 years of age.

**Easy Access Card:** This card allows you and your helper to access certain attractions via specially-adapted entrances. It does not, however, give you priority access to attractions.

Easy Access Cards are issued to those suffering from temporary or debilitating illnesses (illnesses that have not resulted in them being officially registered as disabled) and to expectant mothers. In order to receive an Easy Access Card you will be asked to present a medical certificate (see page 5).

Number of helpers authorised to accompany the cardholder: 1 person.

### General information:

Medical certificate: guests must present an original medical certificate in French or English issued less than 3 months previously, signed and stamped by the doctor and certifying that they have a disability, debilitating illness or are pregnant.

If you are not riding an attraction, your helpers must join the normal queue.

This card is strictly personal, and you may be asked to provide proof of identity. The card remains the property of Disneyland® Paris and can be withdrawn if incorrectly used.

Please note that if certain attractions are extremely busy (Peter Pan's Flight, Big Thunder Mountain, Buzz Lightyear Laser Blast etc.), you may be asked to come back at a specific time later in the day.

In Walt Disney Studios® Park, the queuing areas for all the attractions are wheelchair-friendly.

### Free iPhone® and Android™ application

Download the “Disneyland Paris” application to access the Park maps and real-time information about shows, attraction queuing times, restaurants and shops.

### Use FASTPASS® free

Use this service to reduce your queuing time at the most popular attractions in the Disney® Parks.

- 1 - Pass** your Park admission ticket through the FASTPASS® terminal at the entrance to the attraction.
- 2 - Take your** FASTPASS ticket indicating a return time and go off to enjoy other adventures around the Park.
- 3 - Return** to the attraction at your ticketed time and board in a matter of minutes via the special FASTPASS entrance.

You may only have one FASTPASS ticket at a time. Another ticket can only be obtained once the previous ticket has expired. The distribution of FASTPASS tickets is subject to the availability of the service and tickets.

## Disney Character Meet 'n' Greet

There are no specific facilities for Guests with disabilities at Disney Character Meet 'n' Greet points. However, Easy Access Card holders, Disabled Priority Card holders and disability card holders are given priority access to Characters. Make yourself known to one of the Cast Members accompanying the Character.

## Guided Tours *(charge)*

Discover some of the secrets behind the Disney magic as you embark on a walking tour around Disneyland® Park or Walt Disney Studios® Park. Further details available at the Park entrance, at City Hall and at Studio Services, or on **+33 (0)1 64 74 21 26**.

To be able to participate in a guided tour you must have an admission ticket for the Park in which the tour is taking place, or be an Annual Passport holder.

## Shops

All the shops at Disneyland® Paris are wheelchair-friendly and accept guide and assistance dogs.

### Shopping Service *free*

Do your shopping before 3pm and simply leave your purchases in the shop. You can then pick them up before heading off home or get them dropped off at your hotel free of charge<sup>(1)</sup>.

Ask in the Disney shops for further details.

(1) This service is available in the majority of hotels at Disneyland Paris. Ask your hotel for further details.

# RESTAURANTS

All the restaurants at Disneyland® Paris are wheelchair-friendly and accept guide and assistance dogs. Our Cast Members are on-hand to help you choose your meal, and in the Parks' quick bite restaurants don't hesitate to ask them for help (with service).

To help you choose a delicious dining experience that matches your tastes and budget, please take a look at the chart on pages 8-9.

All our restaurants serve vegetarian dishes. People with allergies can consult a mini-guide that is available on our website.

All our restaurants have a no-smoking policy. Some restaurants may be closed for the week or season. To make the most of your day, eat before midday or after 2.30pm to avoid the lunchtime rush.

## BOOK YOUR TABLE NOW!

If you want to be sure of getting a table in the table service or buffet service restaurant of your choice, don't forget to book in advance!
